DJ Tlectro is no stranger to starting the party off right, something he learned in famous venues in Thailand, England, Russia Japan

I were born and grew up in Bangkok. I have stepped into the musical path since I were 12 years old direction of the string drummer.

Later I played percussion in Secondary School's marching band in the big drum position.

When i were in University, I interested in Electronic music and I learned but i didn't learned to much.until I had my own Bar at Pha ngan Island in Suratthani Province. There are many party in Pha ngan Island.

The famous Party is Fullmoon Party that accepted by tourists and a lot of people around the world always come to have fun and crazy in Fullmoon Party.

The Famous DJ name's Hardwell, He inspiration him to became a DJ

And after that, I began Stard to play Electronic Dance, Hip-hop, R&B, Commercial also. One day i met a party in Pha ngan Island, which was famous in house, tech house, deep house and nu-disco. i feel in love and interested them so much. i learned so hard and started to play the music for a group of Russia in a small Party in Pha ngan, so i proved myself in another party in another place example, Bangkok, Krabi, Khao Lak, PP Island, Hua-Hin and Phuket. In the past, Filled with tourist of many nationalities like Russian, Australian, Chinese, Indian, and more.

My name is Tlectro DJ and i can play every Genre depends on the audience wether Night Club, Beach Club, Restaurant, Private Party, Staff Party
